Chapter 1

The summer camp in Galar region

That morning, Charlie bounced out of bed, too excited to eat his breakfast slowly. He sends out Charizard to go to summer camp with him. They fly to the Galar region.

Charizard's mighty wings can fly Charlie anywhere. When they arrived at the Galar region, Pedro was waiting for him. So does Squirt. Pedro is a baby turtle, who is also a Pokémon trainer. Squirt is a rhino who is also a Pokémon trainer.

Squirt, Pedro, and Charlie's camp group is "The Owls". They are excited for summer camp.

"I promised there will be no Dynamax Pokémon in this story." - the author*

The first subject that Pedro, Charlie, and Squirt loved is music. Their favorite song is Hot Cross Buns. They love the song so much and they throw up. It is disgusting.

*Betcha can't see you coming!

After music, it's climbing class. Charlie, Pedro and Squirt climbed 5 hours straight!

When they reach the very top of Mount Everest, there is a McDonald's! They ate McDonald's for lunch.

After lunch, Squirt, Charlie and Pedro climb down and it is art class.

They tell the teacher, Mr Nay, about the summer camp.

"It is very nice!" Said Mr Nay. "And I loved McDonald's when I was a little kid."

In art class, Squirt, Charlie and Pedro are going to make paper chains. Charlie makes a Batman paper chain. Squirt makes a Squirtle paper chain. Pedro makes a Squirrel paper chain. They are almost finished with art class, but someone watches at the door at every moment. It was Mr Nay!

"Mr Nay!" Charlie shouted. "We miss you!"

But something weirder happened.

Dedenne hopped in front of the door!!!

Chapter 2

The fight with Dedenne

Everybody screamed in horror! Even Mr. Nay! Everybody ran out of the art room.

Pedro took out a Pokeball. "Go Venusaur!" he yelled.

Venusaur appeared and faced Dedenne.

First, Dedenne used Thunder Shock, and Venusaur collapsed completely.

"Return, Venusaur!" Pedro yelled at Venusaur and it disappeared.

Pedro called out Wigglytuff and Dedenne used Thunder Shock at Wigglytuff.

Wigglytuff didn't feel the attack. It just absorbed it.

Wigglytuff used Sing!

Dedenne looks sleepy-as-usual. It fell asleep. Dedenne disappeared in the Pokeball.

Charlie walked over and picked up the Pokeball.

"I caught a Dedenne!" He yelled.*

*Hey, why didn't Dedenne want to go swimming? Because it's afraid of water types!

Chapter 3

Swimming with the water types

After art, it's swimming class. Squirt wants to catch a Sharpedo.* Squirt sends out Venusaur to use Vine Whip, but Sharpedo bites Venusaur with a Single Bite.

"NOOOOOOOO!!!" Squirt yelled and fainted.

"Squirt! Time for dinner!" Someone said sweetly.

Squirt wakes up. He was having a bad dream. It was his mom.

His mom went downstairs to cook some dinner.

Squirt does want to be a Pokemon trainer though.

But the next day when Squirt and Charlie walked to school, Pedro stopped by.

"STOPPPP !!!" He yelled and fainted.

"Pedro! Time for breakfast!" Someone said sweetly.

Pedro wakes up. He rubbed his eyes. It was his mom. She has the breakfast she cooked for him.

Pedro wants to be a Pokemon Trainer also.

Anyway, back in summer camp, Squirt fainted. Pedro and Charlie help him wake up. It was hopeless. It was a hopeless situation. But then, the weirdest thing happened.

Squirt was having a wild dream...

I'm in Antartica. There are no schools here. Nobody has to learn stuff. Nobody has to wear a tie or go to tea parties. There are no bedtimes, and no mean students. Nobody is making fun of me.

*Hey, how does Sharpedo cross the road? To get to the other side!

I don't have to do anything I don't want to do in Antarctica. I'm eating frozen pizza, because all the pizza is frozen here. I'm running around and playing freeze tag, because that's the only kind of tag you can play in Antarctica. My friends are a family of penguins. Tag! You're it! There are a lot of water slides and theme parks and candy stores here. You don't have to buy anything. Everything is free. All the toilet bowls are upside down in Antarc-

Squirt woke up in a start. He was in science class. Everyone is staring at him. "Where am I?" He asked.

Chapter 4

Cooking with Yamper, Fidough, and Dashbun

After science class, it is cooking class. Squirt's cooking teacher is Ms. Boomerang. Her Pokèmon are Yamper, Fidough, and Dashbun.

"Today, we're making..." She said, and everyone gulped.

"... chocolate chip cookies!" Ms. Boomerang finished. "YAYYYYYY!!!!!!!!!!!" Everyone is screaming!

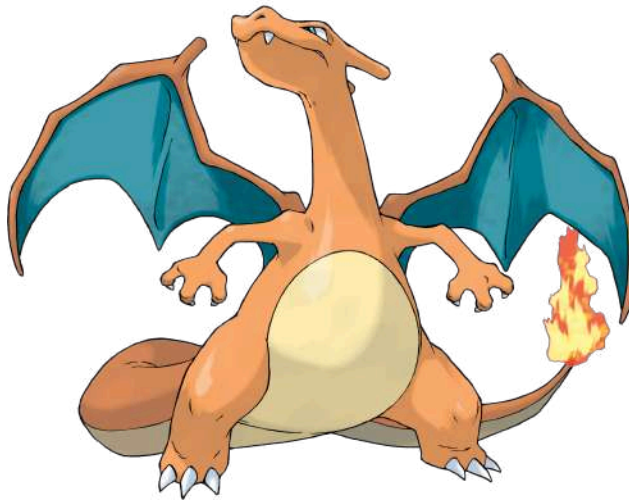

And they did.

Chapter 5

The big surprise ending

The next morning, everybody packed up and went home. Charlie and Charizard flew back to Kanto. What a day!

The End

Can Charlie go through the rest of camp without any weird things happening?
