It looks happy! It used Vine Whip! So interesting! Suddenly, Drednaw dynamaxed! "Oh no, here we go again!" Charlie and Pedro screamed at the same time. Dynamax Drednaw is crushing everything on its path! So horrible! Everyone ran for their lives! The major town will fall down in chaos when Dynamax Drednaw attacks the city. Suddenly, Zacian and Zamazenta were here to help.

Chapter 2

Fight Dynamax Drednaw

Squirt sends out Bellsprout, Weepinbell, and Victreebel. They dynamaxed (Even Zacian and Zamazenta) and attacked Dynamax Drednaw. Bellsprout, Weepinbell, and Victreebel used the Z-move Bloom doom. The attack hit Dynamax Drednaw on the face! (Very funny!) It collapsed immediately. Dynamax Drednaw was defeated. It shrinks to its normal size and lay on the ground in pain. Everyone cheered.
