Rosalina is not having a good day. She was going to have bad days from now on.

She was always in trouble, so she went to Thorik's blocky world. When Thorik wasn't looking, she made a potion in his house. Finally, she drank it. She gained night vision power.

"Hey, stop that! That's my brewing stand and my potion!" shouted Thorik.

Page 2

Rosalina ran far from Thorik's house.

She ran and she ran and she ran until she got to Seabird Island.

She went through the pipe and returned to her normal world.

She was happy.

She fell asleep.

Toad was sad because he thought she had died!

The next morning, Rosalina no longer had night vision power.

She went to church.

All the Toads began to argue about how Rosalina was stealing Thorik's potion.

"Hey!" Thorik yelled. "Rosalina stole my potion last night!"

All the Toads stared at Thorik, then they continued arguing.

The church door opened, and here came Rosalina.

Page 4

"You!" Toad said angrily to Rosalina. "You're the one who stole Thorik's potion!"

A toad raised up his hand, and he said, "Hey, who is Rosalina? And who is Thorik?"

"I don't know," Another toad said gloomily, with two hands up like this: \(-_-)/

"Welcome to the Mushroom Kingdom, Thorik!" leader Toad said, smiling.

Rosalina didn't answer Thorik. She was the thief.

Page 5

After church, all the toads ran outside screaming because they were scared that Rosalina had stolen Thorik's potion last night.

Everyone except leader Toad, Rosalina, and Thorik.

Meanwhile, Ari missed Thorik so much. He was still in the Mushroom Kingdom.

"Oh no!" said Ari. "I need help!" She quickly went to Seabird Island and she jumped into the pipe.

It went WHOOSH-WHOOSH-WHOOSH as Ari went through the pipe to the Mushroom Kingdom.

Page 6

Ari jumped out of the pipe. Mmm.... but which pipe was Thorik going to?

Ari still has time to think about which pipe Thorik was going to, but without hesitation, the pipe sucks her into the middle tube to the Mushroom Kingdom.

But the middle pipe was full of bubble gum.

"Oh no!" Ari cried. "Someone has stuck bubblegum in the middle pipe!"

She crawled into the tube and, in one second, was in the Mushroom Kingdom with screaming toads everywhere.

It was CHAOS! It was NUTS! TOTALLY NUTS!

Page 7

When Ari got to Thorik, she sneezed. "Ah.. Ah.. Ah...
AH CHOO!"

Thorik was not happy about Ari's sneeze. He was covered in viruses. He put his hands on his hips.

Meanwhile, Rosalina was so evil and she got all the toads in a giant sack, except leader Toad.

"You are not nice!" Toad yelled. But Rosalina didn't say anything. She is not a robot at all-just Rosalina with her spinning hips.

In the church, Ari and Thorik search for Nitrogen on Thorik's computer.

"It is a chemical," said Thorik as he searched on Google. When he found the Nitrogen chemical, he clicked "What does it mean".

Suddenly, Ginger, Copper, and Amber bounced around Thorik excitedly as they were getting ready for another adventure.

"Not for real life, Ginger, Copper, and Amber," said Ari sadly.

Meanwhile, Rosalina put leader Toad into a giant cage with other toads.

"You cannot fool me, Rosalina!" yelled Toad.

But Rosalina didn't care. She put all the toads into the cauldron of boiling lava. The cauldron is made out of stone, and the lava was so hot it turned the water into steam.

After they are cooked, Rosalina puts all the toads into water to cool off.

All the toads were dead.

Page 9

When the evil potion wore off, Rosalina returned to her normal form.

She was sad.

"I miss you, Toads," Rosalina said, tears streaming from her eyes.

How can she bring them back to life?

Meanwhile, Thorik closes his computer. He and Ari set out to find Rosalina.

"I think she's in your laboratory," Ari said. She and Thorik open the door, and find Rosalina crying.

"What's wrong?" Ari asked.

"I don't know," Rosalina cried softly. She tried a different potion, and said, "Which one will come back to life?" She poured it on all the toads' faces, and they woke up.

"Oh no!" cried Rosalina. "A monster!"

But brave Ari didn't mind. She ran towards the monster.

Ari punched the monster in the face, but it was too strong . As she was about to be defeated, she poured the potion on the monster's face, then it turned back to normal.

Page 10

Ari, Thorik, and Rosalina felt good.

"Thank you for rescuing us!" said Rosalina proudly.

Ari smiled, "Maybe we can battle more monsters again!"

All the toads smiled, especially Leader Toad.

The end.
